

Intermediate School Students Poster Art/ Essay Competition ENTRY FORM

Intermediate schools students are invited to call on their artistic skills and create a poster promoting good hand hygiene.

Or you can express your thoughts by writing a 100 – 150 word essay on 'Why Hand Hygiene is Important'. You can go to the library, use the computer or talk to your friends, family or teacher to help you write your essay. Why not also visit www.foodsafe.org.nz or www.initialsanitation.com.
